The [Campaign for Students Loyalty Circle](#) honours and celebrates employee donors whose consecutive years of giving demonstrate a commitment to helping our students complete the Seneca education that can change their lives.

Congratulations to [Ian Tipson](#) Professor & CPA Coordinator, School of Software Design & Data Science, celebrating 13 years as a loyal employee donor!

This is what Ian had to say about why he continues to donate:

"As a graduate of Seneca College, I understand attending classes, holding down a part-time job and/or raising a family, possibly living in a foreign country, is difficult and expensive. When we reach a position in life when we are able to help, it is something we all should consider."

Thank you, Ian for your continued support!
