

Registration

Published 3/7/2022 by **Anonymous**

Register Here:

<https://forms.office.com/r/jGeZfwwZG9>

Welcome Back!

Registration can also be completed in person. If you registered when we were open in the fall semester, you do not need to register again.

At this time, only full time Seneca students and employees are able to register and use our facilities

Please remember to bring your OneCard with you every time you visit (physical OneCard or your virtual OneCard). If you do not have your card, you cannot access campus or any of our facilities.

To be on campus, all students and employees must have their proof of vaccinations uploaded to the SenecaSafe App, and complete the COVID-19 Self-Assessment prior to arrival.

Please enter through the designated entrances at each campus, check in using your OneCard and then make your way to our facilities.

Please check out our '**Bee Prepared**' section for information on what you need to participate in any of our activities.

Reminder: As of October 30, only fully vaccinated students and staff are allowed on campus
