Support Team Seneca's GetUP Challenge

Published 11/1/2022 by Caterina Ventrella

There are many ways to support United Way in this final week of Seneca's Campaign. By supporting United Way through the GetUP Challenge, employees will not only unite against poverty to build a better, stronger GTA for everyone who lives here, they will also show a colleague they care and encourage them in their challenge.

Support a GetUp Challenger before Sunday November 6 here.
