The 2022-23 [Campaign for Students](#) has raised an amazing total of \$358,559, thanks to the thousands of employee donations and various fundraising events held throughout the year. We extend our sincere gratitude to all of our donors, volunteers and event participants — you are truly at the heart of our success. Take a look at the highlight video below showing the many ways our employees collectively supported the Campaign for Students this year:

We would also like to express our utmost appreciation to the Seneca Student Federation (SSF) for their exceptional generosity.

This year, the SSF donated more than \$1.6 million to support student financial aid and special projects. We are grateful to have such a dedicated partner who shares our commitment to student success.

To everyone who contributed, volunteered, and participated, thank you for your unwavering support of students and keeping them at the heart of all we do.
