

Alumni affinity program

Published 8/31/2020 by [Tom Bartsiokas](#)

The Seneca Alumni Affinity Program is intended to support the enhancement of student life by motivating engagement and supporting activities that bring students and alumni together. We achieve these objectives through Alumni Sponsorship and the Student Experience Fund.

Alumni sponsorship

This sponsorship assists internal organizations in hosting events such as mentoring sessions, networking opportunities, reunions, and club-based activities that support strategic objectives. These events are exclusively organized for Seneca students and alumni.

Student experience fund

This fund supports faculty-led learning opportunities for any student group to accomplish specific learning outcomes. These opportunities may include attending a career, industry or association-related conferences, seminars and workshops inside or outside Seneca.

Funding is made possible by the generosity of Seneca Alumni's affinity partners and ongoing fundraising activities, including the [Alumni Pay-It-Forward Campaign](#).

Application process

Who can apply

Faculty, staff, alumni

How to apply

To be considered for funding, complete the Alumni Affinity Program Application Form and email it to alumni@senecapolytechnic.ca.
