Teaching & Learning Centre Nutshells

Published 10/31/2020 by Ashley Ribbel

Developed in the fall 2019 semester.

The Teaching & Learning Centre Nutshells are a series of quick, self-paced, online professional learning modules for faculty. Each module will take less than 30 minutes to complete. The modules will introduce a different topic each week and provide faculty with strategies to consider in their practice.

- Writing Effective Learning Outcomes
- Student Engagement
- Supporting Mental Well-being of Students
- Effective Use of Technology in Teaching and Learning
- Teaching Online
- Proactive Solutions for Classroom Management
- Facilitation Skills
- Formative Assessment
- Teaching International Students
- Academic Integrity
- Universal Design for Learning (UDL) and Accessibility: What's the Connection?
- Science of Learning and Neuromyths

Check out our other series of Nutshells:
