

Spotlight on: Academic Integrity

Published 12/21/2017 by [Ashley Ribbel](#)

Academic integrity is a growing concern in education and scholarly practice. In the [December 2017 issue](#) of the Academic Newsletter, we examine two forms of fraudulent activity:

- [Contract Cheating](#) by Linda Facchini, the Teaching & Learning Centre, and Cristina Arlia, the Office of the Vice-President Academic
- [Predatory Publishers – What an academic needs to know](#) by Joanna Blair, Seneca Libraries
