Last semester, Seneca launched its website. It is designed to provide both students and faculty with supports, resources, and information.

The new Academic Integrity Policy training module for faculty is now available on the [faculty and instructor information page](#). This is a self-paced online training module will help faculty and instructors increase their awareness of academic integrity and assist with upholding the [academic integrity policy](#). The module will take between 30 and 60 minutes, and upon completion, participants are eligible to claim Seneca's Academic Integrity Policy badge.

The screenshot displays the Seneca Academic Integrity Policy training module interface. On the left is a sidebar menu with the Seneca logo at the top. The menu items are: 1. Academic Integrity Policy, 2. Academic Integrity at Seneca College, 3. Learning Outcomes, 4. Key Terms, 5. Warm-up Activity, 6. Academic Integrity at Seneca, 7. Academic Integrity: What's Changed?, 8. Failure To Report, 9. Academic Integrity Procedure, 10. Applying the Policy, 11. Academic Integrity Scenarios (highlighted with a blue bar), 12. Seneca Academic Integrity Resources, 13. Summary, 14. Resources, and 15. End of Module. The main content area features a large image of four people in a meeting, with the Seneca logo and 'mashroom6' text overlaid. Below the image, the title 'Academic Integrity Policy' is displayed in large white font, followed by the subtitle 'Changes and Implementation' in smaller white font. At the bottom of the main area are two red buttons: 'Start' and 'Instructions'. A small 'Instructions' link is also visible in the top right corner of the main area.

To support the academic integrity policy, the Teaching & Learning Centre and Seneca Libraries are offering a **Promoting a Culture of Academic Integrity** course. This face-to-face course will focus on the strategies that you can use to make cheating/plagiarism less worthwhile to the student as well as improve student learning. This course will also discuss creating classroom environments that support ethical choices, activities that promote awareness of what is and isn't an academic integrity offence, and assignments designed to reduce academic integrity offences.

It starts on **May 7, 2019**. Visit [MyPD](#) for more details and to register.
